TOURIST TAX

As of February 1st, 2014 the Monza City Council started levying a Tourist Tax on tourists and visitors.

The amount ranges from € 0.50 to € 2.00 per night, according to the type, class and number of the accommodation facilities involved, as per the City Council resolution dated January 9th, 2014.

The accommodation facility must either issue a separate receipt or report the amount paid for the Tourist Tax on the invoice.

The cases of exemption as laid down in article 6 of the City Council Tourist Tax Regulation are:

- persons up to 18 years of age;
- all those who are undergoing rehabilitative therapies at health facilities within the municipal boundaries;
- persons who care for patients in hospital of the municipality, on the basis of an escort for each patient;
- all those (including both parents) who are assisting patients under 18 years of age admitted to health facilities within the municipal boundaries, (two accompanying persons allowed per patient);
- personnel belonging to the State and Local Police, to other Armed Forces, as well as the national body of the Fire Brigade and Civil Defence staying for service needs;
- professional tour guides;
- tour leaders who provide assistance to organized groups, to travel agencies and tourists (applicable to all drivers and one guide for 25 tourists);
- disabled persons and their caretakers;
- students regularly enrolled in the University who attend classes in the Campus located in Monza.

The Tourist Tax monies will be fully allocated to fund activities tied to tourism.
